Course Structure

This qualification is made up of one mandatory unit which has seven learning outcomes and associated assessment criteria.
(see www.cpcab.co.uk)

Course Content

Includes seven mandatory units:

1. Prepare to work within an ethical framework for counselling
2. Understand the counselling relationship.
3. Understand difference and diversity issues to develop empathic understanding.
4. Work within a user-centred approach to counselling.
5. Use counselling theory to develop self-awareness in counselling practice.
6. Understand theories of counselling and mental health issues
7. Use feedback, reflection and supervision to support counselling studies

External Assessment

Answer questions after watching a DVD supplied by CPCAB.

To be passed as proficient at this level the student needs to complete work on all 7 units

and the External Assessment

This course carries 20 Credits at Level 3 and is on the QCF framework.

Students who undertake this level can progress to CPCAB’s Diploma in Therapeutic Counselling (Level 4)

Further progression is available leading to Open University Foundation Degree, contact Philippi Training Centre for more details or, www.cpcab.co.uk

Entry requirements are that students have undertaken CPCAB’s Level 2 Certificate in Counselling Skills

Assessment

Is undertaken by Submission of Student Portfolio of work which is Internally Marked and Moderated by tutors.

Externally assessed written paper after watching a CPCAB DVD under exam conditions.

Students are required to be passed as proficient in both the Portfolio of work and the Externally Assessed Written Paper.
